Humane Society of Portage County Board of Directors

Meeting Minutes
October 18, 2022

1. Call to Order **S. Kessler**

Meeting was called to order at 5:50 pm

2. Roll Call **S. Kessler**

Present: Sheila Kessler, Brett Jarman, Beth Gardner, Ann Barrett, Jared Redfield, Tom Kelble, Jared Redfield, Pat Lillis, Melinda House, Susan Placzek
Others: Sherri Galle-Teske

3. Approval of Minutes

Motion: to approve minutes of the September 20, 2022 board meeting (Jarman, Kelble) motion carried.

4. Board Seating and Resignations **S. Kessler**

None

5. Committee Reports

a. Executive Director **S. Galle Teske**

i. Sherri reported that September was a review month for the medical staff and this month is humane officers and shelter staff reviews. She assisted the new shelter care manager with interviews and hired new staff. September was a good donor month with a retention of 61.88% and we have a donor count of 9,274. We received several generous donations that allowed for us to purchase more medical equipment and additional businesses are doing fundraisers for HSPC. She worked the Portage County job fair. Hampton Inn donated their comforters to HSPC. Secured Grey Katz band for 2023 BCPP event.

b. Operations Committee **B. Jarman**

i. Brett reported we have met many of our objectives we targeted in our strategic plan including community involvement, more board members and our reserves goal.
ii. We are pleased to offer health insurance to staff and the rates are increasing minimally.
iii. County contract meeting was held and an agreement was reviewed.
iv. Fiber is coming into the building and we are working with the phone company on unified communications.

c. Finance Committee **B. Gardner**

i. Beth presented the August financial report and noted our reserve fund balance has dropped. Shelter payroll expense is our number one expense, medical supply expense is higher than usual but we are buying things in bulk to stock up on supplies so this is not a concern. We received major gifts and Beer cheese income of over $9,000 this month and business matching gifts are appreciated. We are coming into the time of year of income.

d. Fundraising Committee **A. Barrett**

i. Sherri noted the Murder Mystery will be held in February and Walk for Wags in June of 2023.
ii. Next newsletter is coming soon but help with content would be appreciated. Will consider an intern.

6. Old Business

7. New Business **S. Kessler**

8. Adjournment **S. Kessler**

Meeting adjourned 7:47 pm

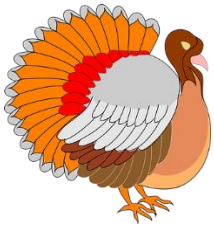
Activity Report by Sherri Galle-Teske



Happy Thanksgiving!

For the last four years I usually start out the November report with a sentimental journey regarding thankfulness--on how grateful I am to be working with HSPC, and a great Board of Directors.

Well-this year is no different! As the holiday season approaches –and throughout the year- I appreciate you and am thankful for your support, work (yes—you do help out!) and leadership. You are all very special people and I consider myself (and the shelter animals) very lucky our lives have crossed paths.

October was a "mixed bag" of duties from recording a podcast with Midstate, to recording holiday greetings with Alpha Dog, to talking to a donor regarding a dog dispute, to providing a UWSP student with a class interview, and rounding it all up with an interview with WAOW/Channel 9.. I am still assisting Mandi/ShelterCare manager with interviewing and we hired another person to help clean and work with dogs (from Alaska). I also assisted in the interview of a new H.O.

There was much discussion regarding the county contract-and we'll discuss it later on in the meeting.

October donations were a little shy of what I would have wanted. Our retention rate is at 60.81% (down from last month at 61.88%) and we have a donor count of 9,315 (up from last month of 9,274). These numbers can reflect the influence of memorial gift income. Some out of area gifts come from one-time donors. October did have two more memorials set up –this time in the name of Barb Gifford and Carol Patoka-Shulfer

I also gave out bequest information to one of our local donors—keeping up with my goal of one "interested party" per month.

Upcoming this month: "Giving Tuesday" is Nov.28th. Watch for it on HSPC/FaceBook.The "On The Go" report – (see the calendar and photo's submitted)

As always-thank you BOD-for all you do for HSPC and the animals—
Have a wonderful Thanksgiving!

Sherri Galle-Teske

OBITUARIES

Iola as a boy, and also his funny jokes! He loved fishing, hunting and trapping with family and friends. He was an excellent marksman and sharpshooter on the Police Department with many trophies.

He escorted many dignitaries including a Vice President and a President over the years. A very special event for Bill was to attend the dedication of the U.S.S. Midway in San Diego CA with the ships crew, his squadron and families. It is now open to the public. Bill enjoyed the Packers and Badgers. He was privileged to attend some Packer games years ago.

Bill and Janet attended every grandparent day at McDill school for their three grandkids. He loved to sit and tell them stories when he was younger. Bill felt blessed to be part of Woodlands Church, where some great friendships were made.

Services for Bill will be held on Tuesday October 25, 2022, at 11:00 a.m. at Woodlands Church 190 Hoover Avenue Plover. Visitation on Tuesday from 9:00 a.m. until the time of service at 11:00a.m. at the church. Full military honors will follow the service at the church. Pisarski Funeral Homes are honored to be serving the family. For Online condolences please visit www.pisarskifuneralhome.com

Gifford, Barbara

In the morning of October 22, 2022, beloved Barbara Gifford passed away peacefully in her home in Plover, Wisconsin at the age of 79.

Barbara was so many things: a successful local business owner, an environmentalist of national recognition, a Master Gardener, a philanthropist and a profoundly caring and dedicated daughter, wife, mother, grandmother and friend. Above all else, through her laughter and her charm, her hard work and determination, she always made the world a better place.

Born in 1943 in Hastings, Nebraska to Leonard and Marjorie Heyne, Barbara's formative years were spent in the Evanston, Illinois area where she worked in retail for Marshall Field's department store.

Through a friend she met her husband, Jim Gifford and after four dates they were married in 1963. Their next 59 years together were full of travel and adventure.

Their first son, William Gifford of Boston, Massachusetts, was born in Evanston.

As Jim pursued his bachelor's, master's and PhD the family lived in Bloomington, Indiana, and later in Riverside, California.

In Riverside, Barbara and Jim were avid scuba divers while Barbara became a senior buyer for a major department store. Their twin children were born in Riverside–Sean Gifford of Petersfield, England and Kristine Knight of Glen Ellyn, Illinois.

In 1976 the family moved to Plover, Wisconsin where Jim began teaching at the University of Wisconsin, Stevens Point. At this time Barbara opened up a series of businesses on Main Street in downtown Stevens Point that helped lead to its revitalization. Many will remember the antique and gift shop Sweet Briar which she opened in 1986, and the old-fashioned candy and ice cream parlor Sweet Treats which was opened in 1990.

As part of the grand opening, the building underwent historic renovations which are still enjoyed by visitors today. In 1994 the Stevens Point Chamber of Commerce recognized Barbara's 'significant contributions' to the creative enhancement and development of downtown Stevens Point with a Special President's Award.

Barbara's love for the natural world was profound. In her later years she became a Master Gardener volunteer and spent hours watching ospreys hunt on the Little Plover River, which ran through the backyard. In 2005 she founded the Friends of the Little Plover River, a water conservation organization that campaigned to protect natural groundwater from irresponsible irrigation. Through her tireless work she brought together stakeholders from the university, industry, trout fishers, farmers, and the Department of National Resources to find solutions to our diminishing water resources. In 2014 the Little Plover River was put into the national spotlight when it was named the 4th most endangered river in America and in 2018 Barbara was awarded the title "River Champion" by Wisconsin Rivers. Barbara also sought to inspire a new generation of conservationists by running a decade-long educational program called the Little Plover River Appreciation Day which reached over 1,000 schoolchildren.

Barb and Jim traveled extensively throughout their lives, visiting England, Africa, China, Turkey, the Galapagos, Australia, and they volunteered for Earth Watch while studying lions in Kenya and macaws and parrots in Peru.

Barbara was constantly giving back to the community and was an active member in the League of Women Voters, the Community Foundation of Central Wisconsin, and the P.E.O. (a philanthropic educational organization that supports young women).

She was preceded in death by her father and mother, her Aunt LaVerne Creech (at age 106) and her mother-in-law Onnie. She is survived by her husband Jim, their three children and their adoring grandchildren Evan, Maddy, Lara and Drew.

Barbara touched so many people with her generosity and kindness and she will be deeply missed. A visitation will be held on Saturday, October 29, 2022 from 11:00 a.m. until 1:00 p.m. at Boston Funeral Home, concluding with a memorial service at 1:00 p.m. to celebrate her extraordinary life.

In lieu of flowers, please make donations to Wisconsin Rivers, a non-profit organization that works to protect our waterways through campaigning, legislation, and awareness raising at https://wisconsinrivers.org/donate/ or to the Humane Society of Portage County at https://hspcwi.org/donate/

Carol A. Shulfer

October 20, 1948 - October 7, 2022

Obituary for Carol A. Shulfer

Carol Ann (Patoka) Shulfer, an energetic and caring wife, mother and grandmother, passed away peacefully on October 7, 2022, at the age of 73 due to a hemorrhagic stroke.

Carol was born on October 20, 1948, and raised on a farm in the Town of Lanark by her parents Victor and Pearl (Konkol) Patoka. Growing up as a big sister, she helped to raise her three younger siblings Wayne (Bonnie), Bonita (Robert Patoka), and Tom.

Carol graduated from Amherst High School in 1966 and began a long, successful career in telecommunications at Sentry Insurance, retiring after 40 years of service. In retirement she enjoyed volunteering at St Michael's Hospital, finding joy in helping others and meeting many wonderful friends.

After marrying her high school sweetheart, Ronald Shulfer, in 1967, they raised children Steve (Nicole) and Rebecca (Nate Menzel), and resided in the Town of Stockton for their entire marriage.

Anyone traveling the country roads in Stockton would surely have encountered Carol walking, likely with dog(s) in tow. She loved chatting with all of her wonderful friends, gardening, tending to her flowers, eating ice cream, spending time on Whitefish Lake in Lac du Flambeau, relaxing on the porch swing at the cabin, organizing the best scavenger hunts for her grandkids, and continually remodeling the interior of their house. Carol cared for all, continuously trying to comfort and offer help to anyone in need. Her seemingly endless supply of energy kept her motivated and moving, while her sharp sense of humor and ability to find the unique qualities in others allowed her to quickly make long lasting friendships. She was fun-loving, and never afraid to be silly.

A celebration of life and Christian burial services will be held on October 20, 2022, with visitation starting at 8:00 am, followed by memorial service at 9:30 am - all at St Mary of Mount Carmel Catholic Church, Fancher, 3995 County Road K, Amherst, WI, 54406. Burial of Cremains will be in St. Mary of Mount Carmel Cemetery

In lieu of flowers, the family requests that donations be made to the **Humane Society of Portage County,** as affirmation of her dear love for animals.

She is survived by her husband Ron, siblings Bonnie and Tom, her children and their spouses Steve (Nik) and Becki (Nate), and seven beautiful grandchildren: Bailey, Emily, Peyton, Tyson, Macie, Trevan, and Grayson; as well as her beloved pet Larry, the rescue dog. Carol is preceded in death by her parents, Victor and Pearl, and her brother Wayne.

Carol, Mom, Grandma, we'll always remember you at your happiest, at the end of a busy, fun-filled day up north at the cabin, sitting on the porch swing with a drink by your side and a dog by your feet. Swinging gently back and forth. Peaceful, content, reflective, and a glimmer in your eye as sunsetting rays of light dance across the lake.

Ambassadors Give Back

We love to see our members and all Portage County businesses thrive and grow!

The snow didn't stop us from celebrating with the Stevens Point Area Public School District - McDill Elementary School for the completion of their awesome new playground! Members of our Ambassadors, PCBC staff, Representative Katrina Shankland, Mayor Wiza, school board members, Superintendent Hirsbrunner, teachers, parents and students all took part in the ribbon cutting on October 14th. Congratulations!

Congratulations to RRD - RR Donnelley Supply Chain Solutions on receiving the State of Wisconsin Exemplary Business Award for their commitment to recognizing the employment needs of those with disabilities. On October 19th members of our Ambassadors Club, PCBC staff and the Village of Plover were honored to witness the award presentation by Wisconsin DWD's vocational rehab division, DVR.

On October 26th we had the honor to celebrate the store remodel and grand opening of Festival Foods. Our Ambassadors, PCBC staff, Representative Katrina Shankland, and Mayor Wiza joined the Festival Foods team for the ribbon cutting. Another exciting part of the celebration was the check presentation from Festival Foods to the City of Stevens Point for the Emerson Park project. Congratulations!

welcome

Meet our Ambassadors

Sarah Agena
Wisconsin Potato & Vegetable Growers Association

Where do you work?
That's a loaded question as I hold several consulting positions. I am the Director of Nutrition for the Wisconsin Beef Council and the Wisconsin Potato and Vegetable Growers Association along with the Business and Community Outreach Specialist for Childcaring Inc.

How long have you been an Ambassador?
10 years

What do you enjoy the most about being an Ambassador?
I enjoy seeing growth in the business community by attending weekly ribbon cuttings and ground breakings along with helping Karen with the many PCBC events!

What is your most memorable moment from a PCBC Event?
I will always enjoy riding around with Nyra Lind during the Annual Golf Outing getting to know the golfers and their businesses. Plus, we always have a fun time getting action photos of all the golfers and we may or may not sneak in some fun photos of ourselves for Karen to find later.

What is one interesting fact about you that most people do not know?
Most people don't know that I was a Division II State Champion in the 50-yard Freestyle. This secured a full scholarship to UW-Green Bay.

What is your favorite activity to do in Portage County?
My favorite activity is enjoying all of the great walking and biking trails in the county. My favorites include the Green Circle Trail and Standing Rocks.

The Ambassadors are Getting in the Christmas Spirit

Adoption – Deb Klein Coordinator Manager, Kala Blasi and Mandi Durocher- Coordinators

Our October cat/kitten special did very well! With the help of Darcy's promotional fall themed poster and having the special on Facebook really made it work!

Our adoption team has also placed five cats so far with our new County Cat adoptions. These cats were hard to place as they are to wild to be inside all the time but also too friendly for the working cat program. So now they get out of here quicker and into a better match for a home ☺

We have found a new way to promote our working cat program. Once again Darcy came through with an adorable flyer. We hope that placing the flyers in country stores in rural areas will get the word out to the older country folks who do not see us on face book. We try to get the working cats out of the building quickly as possible , as it is extremely stressful for them to be in the building.

Kala has added another foster family to our volunteers. We had many kittens in foster care this summer. It is wonderful to know the kittens are in a home and are healthy and loved while they wait for their spay/neuter surgeries. Some of our foster families also help us find homes for their kittens ☺

Our dog adoptions in October were fantastic! Most of our dogs have left and have wonderful loving homes!! The pictures some of the Shelter Care Staff have taken of the dogs really are great. They took Fall- Halloween pictures in October of the dogs and when the pictures were posted we received additional applications.

I have heard several times recently, Adopters thanking our team for making their adoption a wonderful experience. That's how it should be for everyone, and that's what we hope everyone experiences.

Looking for help with your mouse problem?

Contact the Humane Society of Portage County!

What is included?

All of our working cats are adopted out:

- Spayed or Neutered
- Microchipped
- Up to date on all appropriate vaccinations and medically cleared

---

You supply a warm shelter, food, water and mice to hunt.

How much do they cost?
There is NO fee to adopt Working Cats, but we do graciously accept donations to help keep this program running!

You can fill out a Working Cat application on our website **www.hspcwi.org** or contact the Adoption office at **715 344-6012 ext 308** for more information.

Shelter Care – Mandi Durocher (Update written by Brett Jarman)

The past month has flown by. Mandi has become more involved with shelter care operations and has participated in training new staff. Mandi has been successful in hiring a couple of new staff members. New to the sheltercare team are Versace Martin and Lyle Piontek.

The weekly process of scheduling staff for next week's shifts has become easier with Mandi's help. The schedule is routinely completed on Wednesday for shifts starting the following week Monday.

Animal Control – Brett Jarman Interim Leader

Sherri and I prepared for a meeting with the Portage County's Corporate Counsel and Finance Director to discuss the changes from a Memorandum of Understanding to a contract. I created an analysis of animal counts and duration of stay for stray animals, a spread sheet with HSPC's marginal costs and estimated costs if the county were to perform the services we currently offer. We also created a list of questions that we would ask.

The County Executive, John Pavelski, attended the meeting and we had a good exchange of information. The most significant change is the county's desire to change from a cost of living increase to the same limits that a county has for spending. A document that doies a good job of explaining the limits a county has on taxes can be found at:
https://docs.legis.wisconsin.gov/misc/lfb/informational_papers/january_2021/0014_county_and_municipal_expenditure_and_revenue_limits_informational_paper_14.pdf

Page 6 of the document has a long history of the tax limits. The current controls are:

Provisions in 2011 Wisconsin Act 32 extended the levy limit program on a permanent basis. Since then, the Legislature has made several modifications to the levy limit.
The state's levy limit program prohibits any county, city, village, or town from increasing its "base" levy in any year by more than the percentage change in the local government's January 1 equalized value due to new construction, less improvements removed, between the previous year and the current year, but not less than zero percent. The base levy is defined as the prior year actual levy for the county or municipality, plus any tax exempt personal property aid payment made by the state to the jurisdiction.

In the past 10 years the equalized property values have increased at approximately the same rate as the rate of inflation. 2022 brings a new struggle for all counties. The inflation rate and the cost to acquire new or replacement employees is significantly higher than the equalized property value rate. When this happens the county has to make cuts and balance their budget so the most critical and most valuable services are funded and the least valuable services are reduced of eliminated.

The proposed contract had and increase limit. We are hoping to receive a new contract that removes the increase limit. If equalized values go up so will the payment we receive from the county. If the equalized values do not go up then our payment will not increase. A few other items like terms for ending the contract need to be added.

Humane Society of Portage County
IT Status Report – October 2022

Many of the things I do and help with are like the movie Groundhog Day, we do them every month. Some we do every week and other are daily activities.

Board Support

- Created the board package. (see May 2021 report for details).

Updated animal counts at the "Shelter Animal Count" web site

- Physical inventory of animals in the shelter. This process guarantees our computer systems match real life. It increases trust in the system
- Prepared the foster report.

Events / Fundraising / Newsletter

- We are still putting things away after the Beer and Cheese for Pets event.

Work on the next newsletter is expected to start in November

Staff support

- Transported food and supplies from our offsite storage. The amount of supplies offsite is at a record low. The pandemic years have reduced the number of fill the van events and this has reduced our stockpile of supplies and food
- New staff members received a saftey presentation. See the September 2022 board package for details

ShelterBoss Software System

- Worked with software developer to fix problems on ShelterBoss. The number of problems I have reported goes down each month. Many of the items are less significant. ShelterBoss continues to be great system for us at HSPC.

IT Support

- The Fiber installation is complete.
- Working with Spectrum and Forward Electronics now Network Solutions of Wausau
- Work on unified communications has been suspended until we know the status of the county animal control contract.
- The first step in developing an out source plan for our server has been made. I had a meeting with two staff members from Wildcard. Wildcard is a provider of services that is located in Stevens Point.

Humane Officer Activity

- See my humane officer report earlier in the board package for additional details

Shelter Care Activity

- Mandi, the sheltercare manger, now helps with the scheduling process. This has reduced my efforts significantly.

Facilities Update

- Worked with Hobart on additional repairs to one of the sanitizer machines
- Working with Ron's Refrigeration - now Coolsys to replace a failed furnace
- Working with Chet's plumbing to replace faucets in the veterinary area
- A recent donation that included executive office furniture, a color printer and water cooler have been installed. See photo below
- We the help of Humane Officers Aumann and Contreras the tarp have been installed on the dog fencing. The past couple of years we have experimented with different methods of securing the tarps. This is our second year to use wire ties to secure the tarp to the fence material and then use parachute cord on top of the tarp to stop the tarps from billowing . We were able to reuse the same tarps from last year and the installation efforts were significantly less than prior years. We took advantage of unseasonably warm temperatures at the end of October to complete this project.

Note Adopted **The count of adoptions is from the animal inventory report. The adoption process takes time. After applications are approved it takes time for applicant to schedule a meet and pickup date. Sometimes an adoption is delayed until an animal is spayed or neutered or a medical problem is resolved. Adoption counts may be higher than application counts because some adoptions are for a pair of animals.**

Volunteer Statistics

On November 14th 2022 there were

394 volunteers in the system
-1 are in applicant status (volunteer applicants)
-55 are in prospect status (job applicants)
-46 staff members (32 are active)
-23 medical providers this category will be removed it has not been used for 3 years
-143 fosters some are also regular volunteers (includes staff who have fostered)
-126 regular volunteers (29 with service in past 90 days – they are lead volunteers or work study staff)

A purge of inactive volunteers was performed on March 6, 2021. This purge was volunteers with zero hours of service, volunteer applicants, and staff that have left our employment. The normal criteria for purging is no recent service in past 100 days or applicant for more than 100 days is the criteria for purging.

The pandemic has dramatically reduced our use of volunteers. We expect a different more structured volunteer program to be implemented in the last quarter of 2021.

HSPC staff are in Volgistics. Staff and medical provider hours are excluded from the volunteer reports

Fosters were reconciled in December 2020 which reduced the number of active fosters.

In September 2021 the Humane Officer team was restructured. A new interim manger was appointed and the interim manager attended the Humane Officer training program conducted by the Wisconsin Department of Agriculture, Trade and Consumer Protection (DATCP) in Madison. This week long course is required training for all Humane Officers.

Based on the training in the class many of the ways the HSPC Humane Officers were using our computer system were reviewed and analyzed for efficiency and accuracy. Several changes were implemented that will cause the following report to look different in 2022. One of these changes is the way we track animals that are received as stray or surrendered animals.

HSPC receives nearly 1,000 stray or surrendered animals each year. The majority of the animals are brought to the shelter. In 2021 the animals was entered into the computer system and an additional / duplicate entry was made as a dispatch. The dispatch entries would show up on the report shown below. In late 2021 we stopped creating dispatches for stray and surrendered animals that were not part of an investigation.

It is our hope that we can change the way the report is produced to reflect both the dispatch counts and the animal intake counts.

2022 Dog & Cat Report

HSPC is an Adoption Guarantee facility. This means that all healthy animals are kept for adoption until a home is found or until circumstances would change. Some animals adopt quickly while others are with us for many months but we keep looking for a great home for each and every one of our "adoptables."

We take our commitment to our animals and community very seriously and try to do the best for the animals first while considering what is also best for the community. It happens periodically that an animal is no longer adoptable if there are serious health or behavioral concerns. In these situations euthanasia may be our only recourse if an animal has dangerous behavior or temperament that can't be corrected, a fatal or chronic disease, or is seriously injured.
