1. Call to Order

B. Jarman

Meeting was called to order at 5:53 pm

2. Roll Call

B. Jarman

Present: Brett Jarman, Beth Gardner, Tom Kelble, Ann Barrett, Jared Redfield, Melinda House, Susan Placzek
Absent: Pat Lillis Others: Sherri Galle-Teske

3. Approval of Minutes

B. Jarman

Motion: to approve minutes of the April 18, 2023 board meeting (Gardner, Redfield) motion carried.

4. Board Seating/Resignations – none

5. Annual Election of Officers

Motion: there was unanimous consent to approve the proposed slate of officers of Beth Gardner for President, Brett Jarman as Vice President, Melinda House as Treasurer and Ann Barrett as Secretary. Motion carried.

6. Committee Reports

a. Executive Director

S. Galle Teske

- i. Sherri reported that she participated in several local fundraisers, reviewed HSPC's Alpha dog marketing strategy and mailing lists and noted the current newsletter is out. There is a nice article on the kitty named Sparkler at HSPC and the little girl who donated her hospital blanket to her. She is working on community development with special thanks to Melinda and Susan for doing a lot of tours and community outreach. She noted fundraising is in full swing and we have 28 local company fundraisers for HSPC this year. Sherri also worked on a grant, thank you letters and calls and sent request information to those who requested it. Sherri won the Ambassador of the first quarter with PCBC and attended several more business openings and the Community Foundation annual meeting.

b. Operations Committee

B. Jarman

- i. Motion: to approve the employee manual updates for the bite policy and the dress code (Jarman, Redfield) motion carried.
- ii. HSPC had a computer upgrade and a vendor is assisting us with a migration to Microsoft Office 365.
- iii. Reviewed a HSPC financial flow and control report with Donor Perfect, Alpha Dog Marketing and QuickBooks and noted Kerber Rose Group audits our reports. Discussed our mission and the financial impact of caring for animals and how we measure success which are donations. We have a 95 percent live release rate of our entire population. Reviewed our prospect mailing list.

c. Finance Committee

B. Gardner

- i. Beth reviewed the financial reports. March 2023 net income is in the black.
- ii. All HSPC financial reports are audited by our accounting firm.

d. Fundraising Committee

S. Galle-Teske

- i. Sherri distributed a report of updates on the Walk for Wags sponsors, vendors, activities and emcee.

7. Old Business - none

8. New Business - none

B. Gardner

9. Adjournment

B. Gardner

Meeting adjourned at 7:24 pm

Minutes submitted by Ann Barrett, Secretary

Activity Report by Sherri Galle-Teske

From new donor friends like Prevail Bank, Blue Rainy Designs and Mark Motors Scholarships to our supply staples like Menards “Fill the Van” and Schierl’s “Buy A Bone”--May was a fun month that kept the shelter –and me busy.

May was also good to us financially too. We received some long anticipated grant dollars and checks. Donor Retention is down again slightly—I believe due to memorial income. A lot of our memorial income is obtained by one-time donors. Many live out of state and their only connection to us is the deceased person. they are honoring. The percentage of this group of donors contributing year after year is really low; but I try making an effort through the letter we send them.

Brett and I reviewed a spread sheet on lapsed donors and a plan on contacting them. To help explain I found an article by “Boomerang” (Donor management company) that I considered most helpful.

A study by Adrian Sergeant found the following reasons why donors stop supporting nonprofit organizations. What might be more significant is looking at this from donor’s perspective. No donor considers themselves “lapsed,” as if they’re somehow at fault for being uninspired to give again. Donors give on their own timelines and for their own reasons. They didn’t do anything wrong. Life just got in the way.

- 5% Thought the charity did not need them
- 8% Rec’d no info on how monies were used
- 9% No memory of supporting
- 13% Never got thanked for donating
- 16% Death
- 18% Poor service or communication
- 36% Thought other non-profits are more deserving
- 54% Said they could no longer afford

If you would like to read more on the subject please let me know.

“Walk For Wags” has me really busy at the moment--and you will see my calendar is referencing a lot of activity aimed at that event.

Thank you for all you do for HSPC!

Sherri

Welcome to the community [Tommy's Express Car Wash](#)! Our Ambassadors and PCBC staff helped their team celebrate during their grand opening event on April 20th with a ribbon cutting. Check them out at 117 Division Street, Stevens Point.

Ambassadors Give Back

We love to see our members and all Portage County businesses thrive and grow!

On May 11th our Ambassadors Club, PCBC staff and Mayor Wiza were excited to visit Mission Coffee House Stevens Point at Downtown Stevens Point for a ribbon cutting and were treated to delicious coffee and bakery items. Stop by and visit them at 1100 Main Street, Suite 110 Stevens Point!

On May 16th our Ambassadors and PCBC staff were honored to take part in the ribbon cutting to celebrate the completion of Ki Mobility's new 80,000 square foot expansion. Their intention is for the company to take on larger customer demands with the increased space. Congratulations!

A ribbon cutting and sign unveiling ceremony was held on May 17th to mark the opening of the Point Brewery James & Susee Wiechmann newly expanded Brew House. Members of our Ambassador Club and PCBC staff were there to help celebrate. Cheers to the Stevens Point Brewery on another chapter in its rich history!

The installation of the World's Largest Potato Masher at the Farming for the Future Foundation and Food + Farm Exploration Center, located at 3400 Innovation Way in Plover took place on May 19th and members of our Ambassadors Club and PCBC staff were thrilled to witness this iconic attraction and celebrate the milestone. We also enjoyed the facility tour and mashed potato bar. Congratulations to all involved!

A new recreational boat dock was installed on Bukolt Island as part of a community partnership project between the North Central Conservancy Trust, Community Foundation of Central Wisconsin, City of Stevens Point and the Prime W.A.T.E.R. Anglers and our Ambassadors and PCBC staff helped with the ribbon cutting on May 24 to celebrate the official opening of the dock.

On May 30th members of our Ambassadors Club and PCBC staff attended the groundbreaking ceremony for a multi-million-dollar project at the Tomorrow River School District in Amherst. The project will include building a new STEAM building and to remodel parts of the middle and elementary school. Congratulations!

Adoption – Deb Klein Coordinator Manager, Kala Blasi and Mandi Durocher- Coordinators

We had two adorable rabbits, Jelly and Butter who came in as strays January 4th 2023. They were a bonded pair. Butter was a girl and Jelly a boy so our medical staff had them spayed and neutered here so they could be adopted out together. Most of the house bunny applications we received for them were for one or the other but not together.

We did find a House Rabbit Rescue in Marshfield that was able to take them on May 9th 2023.

Our office is still receiving an unusual amount of surrender requests. Also mentioned in last month's report. We are receiving an average of one request per day. On May 9th I received seven requests by phone for cat and dog surrenders.

Our kittens that are out in foster care are beginning to come back for their spay/neuter surgeries. At the same time we have started to get more adoption applications for kittens so the timing is working out well.

Animal Control – Brett Jarman Interim Leader

May was a busy month with several animal control requests that are noteworthy

- A Stevens Point resident is unhappy with barking dogs. He records videos of the dogs barking by going up the fence which surrounds the house where the dogs live. His close proximity causes the dogs to bark. We've received complaints about him from dog owners that he is filming their dogs while standing next to their fences. Our request for him to track when the dogs are barking on a bark log have not been successful. He completes the log in a fashion that is not useful.
- A dog bite occurred and the handling of the quarantine could belong to one of four counties. We handled the bite report and quarantine because where the bite occurred decides jurisdiction.
 - Aspirus Wausau Hospital sent Portage County Animal Control (HSPC) a bite report Aspirus Wausau saw the patient on Saturday May 27 (Marathon County)
 - The patient lives in Marshfield (Wood County)
 - The dog's owner lives in Medford (Taylor County)
 - The bite occurred in Dewey WI (Portage County)
- We continue to experience significant delays and mistakes when dog bites are reported by a local hospital chain. Emails to the hospital have gone unanswered. We have shared our concerns with the Sheriff and Public Health departments.
- On May 11th Sgt Matt Susa with the Wood County Sheriff contacted us. He passed us an email request from a law firm located in Warrenton Virginia. The same firm had recently made an open records request related to a dog breeder in Portage County. The request was for an investigation of the breeder and impoundment of dog(s). The details that were provided were:
 - An unnamed person is represented by the firm (Person 1).
 - Person 1 co-owned a dog with Person 2.
 - Person 2 sold the dog to Person 3
 - Person 3 bred the dog
 - Person 3 sold the resulting puppies
 - Person 1 is in a title dispute with person 2
 - The lawyer He believes law enforcement needs to step in citing Wisconsin Statutes 95.12-13 and 951-03 were relevant

HSPC / Animal control researched this request and received legal advice.

- 95.12 deals with false pedigree, 95.13 deals with misrepresenting breed of domestic animal, and 951-03 deals with catnapping and dognapping
- This is a civil case not a criminal case
- If person 3 purchased the dog from person 2 in good faith it would become person 3's animal. Person 2 may owe Person 1 money from the sale. Person 1 should pursue Person 2
- If persons 2 and 3 were in collusion to defraud person 1 then a civil suit would decide the animal's ownership. Person 1 needs to pursue Persons 2 and 3
- Animals resulting from breeding the animal in question are not required to be registered. Person 3 could sell the puppies as purebred without papers.

- If a person purchasing one of the puppies was told the puppy was purebred and had papers and subsequently found the animal did not qualify for registration, the puppy owner would pursue person 3.

We had a phone call with the lawyer and he agreed with our analysis.

- A cat bite occurred in one of the municipalities that are not part of the animal control contract. After discussions with Sheriff and the town Chairman we agreed to prepare the paperwork. The town chairman agreed to contact the cat owner and guarantee the delivery of the quarantine paperwork. The chairman did not deliver the paperwork as promised.

Shelter Care - Mandi Durocher Shelter Care Manager

We said farewell for the summer to Cassidy Behnke and Holly Fluegge, both students at UWSP who returned home for the season. They eagerly anticipate being back in the fall! This month we also received notice that two of our dog handlers will be moving on to better opportunities, Emma James and Lyle Piontek. Emma has been offered a job with a considerable raise back in her hometown, and Lyle graduated from Police Academy this month and is searching for a job related to that. We are going to miss these guys greatly, and our dogs even more so! Since the news about Emma and Lyle I have been searching for our next dog handling candidate. Due to the time of year and how busy we are, I'm looking for someone with prior experience. We haven't found them yet, but both Lyle and Emma gave notice without an end-date so we have (some) time yet.

We welcomed Kaitlyn Maynard to the team this month! She just graduated from UWSP in May and is going to be in town for a year or so before finding her next opportunity. She is going to be joining our cat team.

The number of dogs in our care also went back up, which meant that the Team 2 Dog Helper shift was changed from 7am-11am to 7am-12pm. Our dog handling team has been doing an extraordinary job with keeping up with our rapidly changing dog counts.

April 2023

Humane Society of Portage County
IT Status Report –May 2023

Many of the things I do and help with are like the movie Groundhog Day, we do them every month. Some we do every week and other are daily activities.

Board Support

- Created the board package. (see May 2021 report for details).

Updated animal counts at the “Shelter Animal Count” web site

- Physical inventory of animals in the shelter. This process guarantees our computer systems match real life. It increases trust in the system
- Prepared the foster report.

ShelterBoss Software System

- Worked with software developer to fix problems on ShelterBoss. Had phone discussions and performed training for a shelter in South Carolina.

IT Support

- Sent details about the firewall configuration to Spectrum
- Sent details about email addresses to Ryan Technologies
- Completed the migration of the FAX machine to its own phone line
- Completed discussions with Permar security on changes needed to migrate off of the phone lines. (Security alarm systems were designed to use copper phone lines. Digital technology compresses sounds and on occasions these compressions create alarm problems. HSPC had two unexplained false alarms in the past year.)

Facilities Update

- Only minor repairs to the facility in May. Working to find a repair person to solve issues with the garage service door and replace missing trim around the garage doors.

Fundraising Support

- Executed a calculated change for several thousand names on our donor perfect database. Names that been on the mailing list for 4 years and not made a contribution were changed to do not mail. Names from out of state that had not given the past 2 years were changed to do not mail. Donors that had only a memorial or honorarium gift that was 1 or more years old and did not reside in Portage County were changed to do not mail. These changes will dramatically reduce our mailing costs for newsletters and prospect mailings

Employee Manual

- Completed the updates to the employee manual. Printing and distribution will occur in June.

Humane Officer Activity

- See my humane officer report earlier in the board package for additional details.

Events / Fundraising / Newsletter

- A variety of tasks were performed to support Walk for Wags. k of April 17.

Staff support

- Transported food and supplies from our offsite storage.

Note Adopted The count of adoptions is from the animal inventory report. The adoption process takes time. After applications are approved it takes time for applicant to schedule a meet and pickup date. Sometimes an adoption is delayed until an animal is spayed or neutered or a medical problem is resolved. Adoption counts may be higher than application counts because some adoptions are for a pair of animals.

Volunteer Statistics

On May 6, 2023 a purge of inactive volunteers was performed. This is the first volunteer purge since 2019. During the pandemic years we were unsure what impact would be on the volunteers. Many of our volunteers are students. Most students graduate in four years so this purge had a significant impact. A reconciliation of active fosters will be done at a later date.

Over the past few months we have stopped using Volgistics to schedule staff. There were several volunteer entries we established to support scheduling. WE also had broken many of the jobs down into smaller pieces to support scheduling. All of these items have been marked as inactive. The result of these changes provides the ability to report staff hours along with volunteer hours. This new report started in May 2023 and replaces the previous report which only covered volunteers.

198 people entries in the system

- 8 inactive
- 32 applicants (volunteer applicants received in 2023)
- 24 prospects (job applicants)
- 34 staff (30 worked hours in April)
- 134 volunteers (32 have volunteer hours in 2023 –
25 performed fostering
9 performed volunteer services
some did both)

A purge of inactive staff occurred on January 2nd, 2023

A purge of inactive volunteers was performed on May 6, 2023. This purge was volunteers with zero hours of service, volunteer applicants, and staff that have left our employment. The normal criteria for purging is no recent service in past 100 days or applicant for more than 100 days is the criteria for purging.

The pandemic has dramatically reduced our use of volunteers. We expect a different more structured volunteer program to be implemented in the last quarter of 2021.

Fosters were reconciled in December 2020 which reduced the number of active fosters.

DonorPerfect Statistics

DonorPerfect is software that helps HSPC record information about our donors and patrons. It has been active since the end of August 2013

- All Individual monetary donations has been extracted from our old system and loaded.
- All Business and organization monetary donations has been extracted from our old system and loaded.
- All contributions are put into DonorPerfect (cash and non-cash gifts)
- All Volunteers are added to DonorPerfect – (updated every 4 months)
- Any person that attends one of our major events and purchases an item (registration , auction) are added to Donor Perfect
- All people who make in-kind donations and sign our gift registry have been loaded into Donor Perfect.
- All mailing lists have been consolidated into Donor Perfect
- All people who have adopted a pet from HSPC in the past 5 years have been loaded into Donor Perfect. New adopters are added each week.
- Donor Perfect has been the system of record for all donations since August 2013.

Our donor base continues to grow. In January 2014 we had 6,289 donors and in January 2015 we had 7,655. On June 1, 2023 we have 16,412 constituent records in our Donor Perfect database. Note: 11,105 are do not mail records.

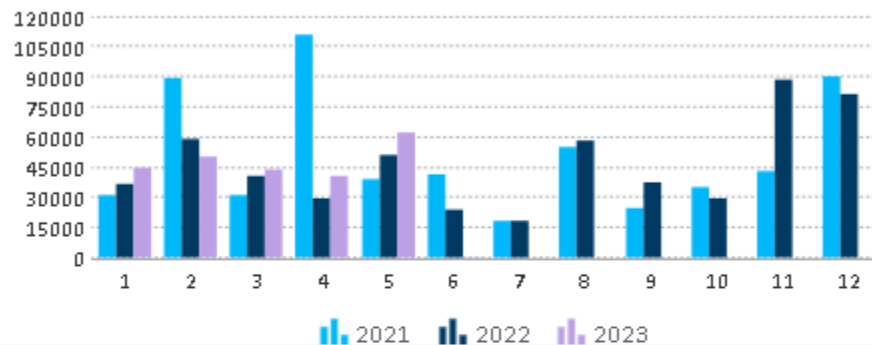

Note: Large estate gifts received in February 2021, April 2021 & December 2022 will skew these graphs.

GENERAL LEDGER ANALYSIS

12:20 PM

Fiscal YTD (01/01/2023)

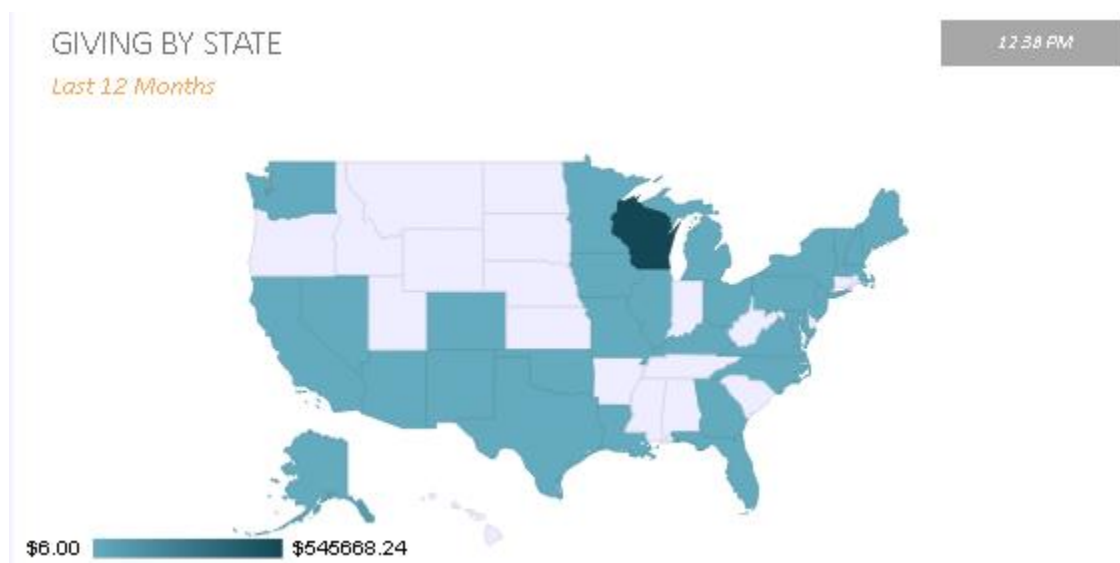

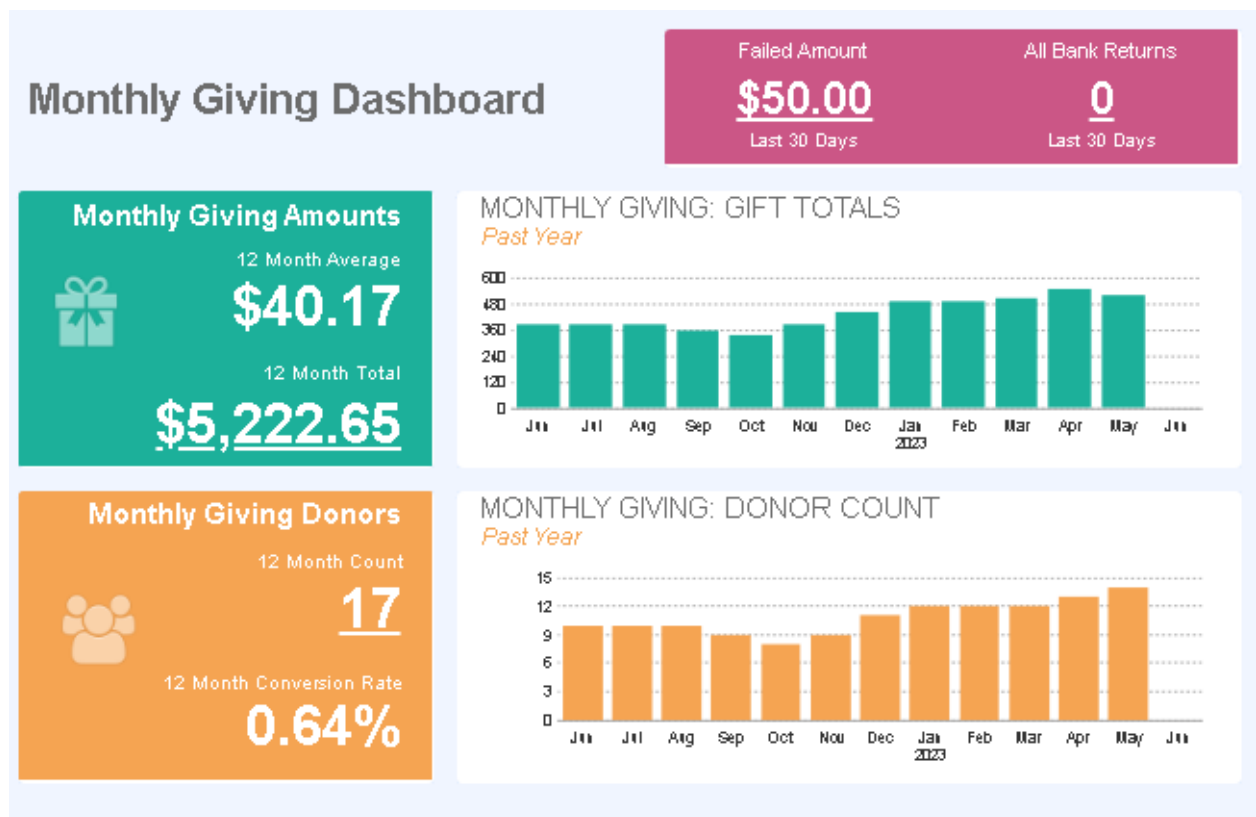

NOTE: In January 2023 we discovered that items that contained a memorial or honorarium message had been coded as memorial or honorarium income. This would cause some of the solicitation reports to have shown lower results than actual. All the gifts were counted it was only the coding of general ledger codes that was incorrect. Our goal is to use the general ledger code for the source of the gift.

NOTE: In May 2023 we analyzed the names in our donor database. As part of the analysis we performed a calculated process to remove people from our active mailing database. Examples of our criteria include:

- Names with incomplete addresses
- Potential donors that have been receiving mail from us for 3 or more years and never made a gift
- Donors that have made a gift in the past but have not made any gifts for the past 4 years
- Donors that live outside of our service area (Portage County) and have not made any gifts in the past 2 years.
- Donors that have made only one gift and the gift was made in memory or in honor of a person or animal and this single gift was made more than a year ago.

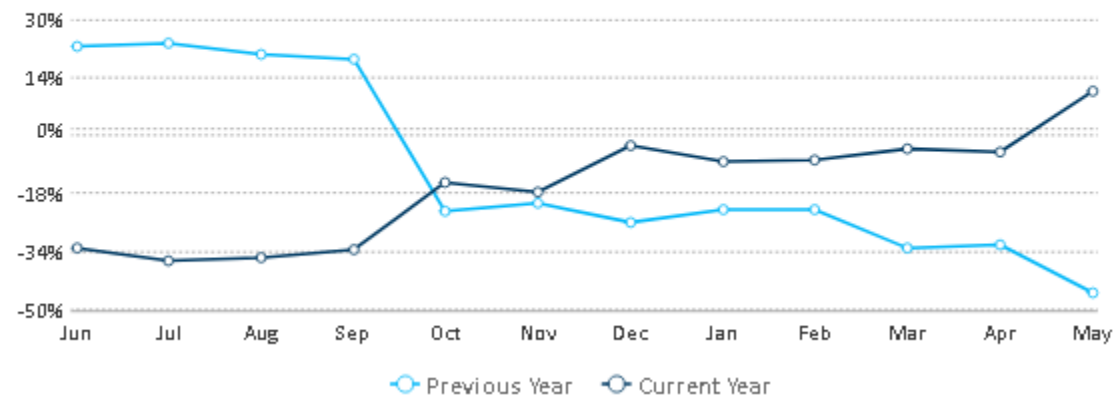

In October 2020 Donor Perfect added an additional dashboard item that shows monthly donors.

In September 2021 the Humane Officer team was restructured. A new interim manger was appointed and the interim manager attended the Humane Officer training program conducted by the Wisconsin Department of Agriculture, Trade and Consumer Protection (DATCP) in Madison. This week long course is required training for all Humane Officers.

Based on the training in the class many of the ways the HSPC Humane Officers were using our computer system were reviewed and analyzed for efficiency and accuracy. Several changes were implemented that will cause the following report to look different in 2022. One of these changes is the way we track animals that are received as stray or surrendered animals.

HSPC receives nearly 1,000 stray or surrendered animals each year. The majority of the animals are brought to the shelter. In 2021 the animals was entered into the computer system and an additional / duplicate entry was made as a dispatch. The dispatch entries would show up on the report shown below. In late 2021 we stopped creating dispatches for stray and surrendered animals that were not part of an investigation.

It is our hope that we can change the way the report is produced to reflect both the dispatch counts and the animal intake counts.

In January 2023 the format of the Humane Officer report was changed so it was easier to read. This new version does not include the animal intake counts.

2023 Dog & Cat Report

HSPC is an Adoption Guarantee facility. This means that all healthy animals are kept for adoption until a home is found or until circumstances would change. Some animals adopt quickly while others are with us for many months but we keep looking for a great home for each and every one of our "adoptables."

We take our commitment to our animals and community very seriously and try to do the best for the animals first while considering what is also best for the community. It happens periodically that an animal is no longer adoptable if there are serious health or behavioral concerns. In these situations euthanasia may be our only recourse if an animal has dangerous behavior or temperament that can't be corrected, a fatal or chronic disease, or is seriously injured.
