## **Activity Report by Sherri Galle-Teske**

Who ever said March roars in like a lion was correct. We had an interesting month starting with the Dueling Pianos event at Eron's Event Barn. The show never disappoints and the food is great. While the caterer had changed and so did some of the rules we still did well.

I then moved on to some Humane Officer assistance in a couple of incidents and helped a few dogs along the way. While animal control incidents can somewhat take a lot of time and are hard on shelter resources we seem to secure other things like a better bond with our local law enforcement and staff. I could not of been prouder of staff during our planning stages and taking care of the animals needs. Then there is the assistance from the community with food and monetary gifts—what a great place we live in.

The HSPC held the community immunization clinics for dogs and cats. They were a success and I heard nothing but good comments.

I am securing sponsorships for "Walk For Wags" held on June 23 at Pfiffner Park along with trinkets for the walker "goody" bags.. I am seeking a trophy sponsor for the "hero" firefighters—5 in all for \$300.00. I could use a tent sponsor for \$1,000. In a week I will start calling vendors for the event.

Should there be any interest amongst our Board members in volunteering for any of the events listed below please contact me.

Sherri

The Store & Team Schierl Companies are proud to support local animal shelters and humane societies in markets where The Store convenience stores are located.

**All funds raised will be donated directly to the local shelter or humane society closest to The Store location.**

### **How Does Buy A Bone Work?**

From March 18<sup>th</sup> - April 20<sup>th</sup>, Guests of The Store purchase paper bones for \$1, \$5 or \$10. Each bone can be signed with the Guest's name and/or the name of a furry friend. Bones are then displayed inside The Store during the campaign.

### **How You Can Help!**

- **Speak with the media.** If you have built relationships with them, let them know of our great promotion!
- **Distribute posters** to area businesses, veterinary practices, the public library, community bulletin boards, fellow non-profit groups and to anyone else who may be willing to post them for you. This will help raise awareness of the fundraiser.  
**We can provide color 11x17 or 8 ½ x 11 posters**—simply email us at [marketinghelpdesk@teamschierl.com](mailto:marketinghelpdesk@teamschierl.com) and we'll mail them to you!
- **Remind board members, volunteers and outside groups** who support you to get the word out, share posts on social media, and ask their friends and family to stop into The Store and **Buy a Bone!**
- **Send an email blast** or include a section on **Buy a Bone** in your newsletter (if you have one being sent before or during the fundraiser).

- **Utilize social media!** Promote this fundraiser twice a week (or more!) on Facebook, Twitter, Instagram, Snapchat, your website, or blog, and anywhere else you have an online presence. Have fun and encourage others to share your posts.  
**Create a Facebook live video** talking about the promotion and how it helps your location. Add in a furry friend too! Please make sure to tag us. If you need some paper bones sent to you, let us know, or you can pick some up at your area location of The Store.
- **Social Media Kits will be emailed out the week of March 11<sup>th</sup>.** Please use images & share our videos we provide and **tag The Store** in each post to increase awareness and help raise more money for your location. We will post on our social media—feel free to share!  
**Facebook:** @thestore  
**Instagram:** @ the\_store\_tsc
- **Share our videos!** We will post multiple short **Buy a Bone** videos on our Facebook page, please share them when you are posting about the fundraiser! Videos are a great way to get the attention of your supporters!

**Thank you!!**

Hi Brandi--We are calling the story "Dog on a Log"  
This was a Portage County Team effort!

On March 02, 2024 at approx. 6:35 pm; Animal Control of Portage County received a call from Portage County Dispatch requesting a Humane Officer out to K.A.S.H. Park to assist in a dog rescue effort. Dispatch reported that the Stevens Point Fire Department and Stevens Point Police Dept. were on the scene trying to rescue a dog that was stranded on a log in the river. Humane Officer Emily Wimme arrived on the scene at approximately 6:50 p.m. Upon arrival a fire fighter was in the river water and had the dog secured via a department catch pole. The dog named "Freckles" had gotten away from its owner who was looking for him. Freckles was scared and annoyed with the situation. She was not cooperating with a catch pole or a slip lead. At one point she was contained but got loose when she alligator rolled and snapped the cable on the pole. The dog was off the log and remained in the over-growth vegetation of the river until Humane Officer Wimme with the help of the Stevens Point Police Dept. secured the dog with a Humane Society catch pole, removed her out of the water, and was put into the Humane Society vehicle. At 8:15pm the dog was reunited with its owner.

Animals need safety and loving care. They need a hand.

## You can save them with your gift today.

Dear <Salutation>,

**Animals like Evita can't save themselves. Someone has to step in.**

Evita came to us with two severely infected ears, this poor girl had been through so much. She requires emergency medical treatment — *and lots of love* — so she can recover and find a new family to keep her safe.

So many animals like Evita are suffering right now. Many weeks, there are more animals that come into the Humane Society of Portage County than are adopted. With costs so high, our staff and resources are stretched to the limit.

**During this busy summer season, your gift of \$<LG>, \$<UG1>, or even \$<UG2> today will help provide vital, lifesaving care to animals in desperate need.**

Whether it's a mother cat and her litter struggling to survive on their own ... or an older dog desperate for a second chance ... they *all* deserve care and love.

Unfortunately, we don't receive as many donations in summer — but there is no drop in the number of cats, dogs, kittens, and puppies facing hardship. Your gift can ensure each one receives veterinary care, safe shelter, and loving attention.

**Please give now so more homeless and abused pets have the happy, healthy lives *all* animals deserve.**

I've enclosed reply slips and envelopes for June and July — the time of

year when demand is greatest. Please send your June gift today and if possible, July's gift next month.

I've also sent a notepad as a token of heartfelt gratitude for your support. Every time you use it, I hope it reminds you of all the animals you've helped save.

**Animals are counting on your compassionate support now more than any other season. You can give them a second chance at a happy life by making a gift today.**

With gratitude,

Sherri Galle-Teske  
Executive Director

P.S. Please send your lifesaving gift today! Portage County's abandoned and neglected animals need your help during our busiest season. You also can give online at [www.hspcwi.org](http://www.hspcwi.org).

Your gift is very much appreciated and may be tax deductible to the extent allowed by law. A copy of our latest financial report may be obtained by writing to Executive Director Humane Society of Portage County 3200 Iber Lane Plover WI 54467 [www.hspcwi.org](http://www.hspcwi.org). The Humane Society of Portage County has been formed to help prevent cruelty, abuse, neglect and over population of companion animals, seek adoption of these animals and teach humane awareness and respect for all life. WISCONSIN – a financial statement of the Humane Society of Portage County disclosing assets, liabilities, fund balances, revenue, and expenses for the preceding fiscal year will be provided upon request.

Special thanks to March's Business X-Change host Herrschners!

## Medical updates this month

- We finished out March with our 3<sup>rd</sup> vaccine clinic with 1 more coming up in April
- Evita update, we have a date for her first ear surgery which will be at the beginning of May
- This month we began doing spay/neuter for the public as our schedule allows. We have done a handful of public spay/neuter surgeries already this month and have April dates filling up already.
- This month we have had numerous animals arriving needing extra care due to an illness or injury which included 2 visits to the emergency clinic and also running lab work over to the local vet office

**Adoption** – Deb Klein Coordinator Manager, Kala Blasi and Lindsey Kraklow - Coordinators  
Tammy Mathewson - Adoption Volunteer Assistant

We had seven cute little Chihuahua mix puppies surrendered to us in March. Jim and Shelly J. fostered them for us until we could find placement for them. We transported two of the puppies to another shelter and put the remaining five up for adoption. They all quickly found homes. (picture attached)

We did a transfer of six cats and two of the surrendered puppies to the Dane County Humane Society on March 14<sup>th</sup>. Brett was our transport driver.

Two bonded elderly cats, Sugar 16years old and Spice 14 years old were surrendered to us back in October 2023. Their elderly owner could no longer care for them. Ginny, one of our long term cat volunteers was a friend of the owner and helped with the care of the cats. Ginny brought Sugar and Spice to us when the owner realized she would not be able to care for them herself.. Both cats were put into a foster home 3/25/24. The foster family adopted them on March 25/2024 🐾 (pictures attached)

I would like to share a very nice compliment written on a cat application:

“I would like to choose HSPC for its stellar reputation in animal care and adoption services. I love how they prioritize finding loving homes for pets and are deeply committed to community outreach. By adopting from HSPC, I'm not just gaining a new family member but also supporting a cause close to my heart”.-- Roselie from Wisconsin Rapids.

## **Shelter Care - Mandi Durocher Shelter Care Manager**

Time for another board report already?! I feel like I just did one of these!

March was another busy month around here. We said farewell to one of our longest term employees, Kristin Pagel. Kristin had been volunteering here since she was about 10 years old and eventually she merged into the Shelter Care position. Her last day was March 10<sup>th</sup> and we gave her a big send off! She is dearly missed already.

In March we also announced that we have an Assistant Shelter Care Manager! Rhyan Nemzoff is now helping me with my workload. She has been helping me behind the scenes for quite some time! Rhyan is a staple around here, she is wonderful at working with the cats and dogs, and I'm delighted to have her help.

Shelter Care staff have really found a rhythm recently – they are finishing up early and finding themselves with extra time on their hands after the animals have been cared for. We have been utilizing the extra time to do more clean-up in and around the shelter. One thing we've been working on is mopping or scrubbing the floors with just plain water. Due to continuing Giardia protocols, we are mopping the hallways daily with Rescue, our disinfectant. After doing that for a few days, it starts to leave a build-up and makes the floors look dirty even after mopping. We're handling this by cleaning the floors with just water to get the build-up off. You should see the way that floor suds up with just water! Water mopping/scrubbing the floors has made a world of a difference, and they're looking great now.

In March we made a few more additions to our team. Kit Krotzman and Allie Kowalski are with us now, and they're both doing a wonderful job! We are excited to have them on-board.

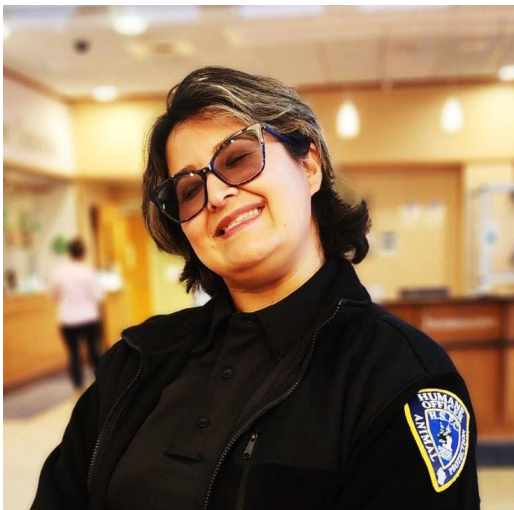

**Kristin Pagel**

## Animal Control – Brett Jarman Interim Leader

March was a busier month than most. Some of our activities are now in the hands of the sheriff and legal system and I am not able to publish details.

- An impound of 16 dogs was executed. We supported the sheriff's deputies after a warrant was acquired and executed.
- An impound of 8 cats was executed. We supported the sheriff's deputies after a warrant was acquired and executed. Multiple dead animals were encountered during this impound.
- The impound cases have demonstrated a strong support between the sheriff's department, the county's legal team and the Humane Officers.
- Cats were transported to a shelter in Janesville
- We provided clerical and back office support for the vaccination clinics
- One of our Humane Officers resigned without providing adequate notice
- We were successful in hiring two additional Humane Officers
  - Serena Goelitz started the last week in March
  - Victoria Nellessen started on April 1<sup>st</sup>
- The new officers added in 2024 are (Clockwise upper left) Victoria Nellessen, Serena Goelitz, Mackenzie Brown, Lucy Saucedo.

- Lori Lang
- Brett Jarman

### January 2024 Items reviewed:

- Check Register
- Balance Sheet
- Profit and Loss
- Management Report

**NOTE:** The 2024 budget is under development. Until the budget is complete and loaded into Quickbooks the management dashboard reports which compare results to budget lack any meaningful information. They are not included in this month's board package.

**NOTE:** We have determined that two of the round gauges (major gifts & events) in the management dashboard are not operating correctly. The problem is related to our software level and will be addressed later this year when our software is updated.

**Humane Society of Portage County**  
**IT Status Report –March 2024**

Many of the things I do and help with are like the movie Groundhog Day, we do them every month. Some we do every week and other are daily activities.

**Board Support**

- Created the board package. (see May 2021 report for details).

**Updated animal counts at the “Shelter Animal Count” web site**

- Physical inventory of animals in the shelter. This process guarantees our computer systems match real life. It increases trust in the system
- Prepared the foster report.

**IT Support**

- Completed the final conference call with Spectrum and approved the specifications for the firewall configuration

**Fundraising Support**

- Provided support for Dueling Pianos.

**Humane Officer Activity**

- See my humane officer report earlier in the board package for additional details.

**Newsletter**

- The next newsletter continues to be developed. The newsletter was re-created using a wider range of dates. The newsletter took a step backward this month when our front page story had to be replaced. Information about the story came to light in March that caused it to be unusable.

**Staff Support**

- Transported food and supplies from our offsite storage.
- Performed multiple OSHA chemical safety, fire and storm training sessions for new employees.

## Facilities Update

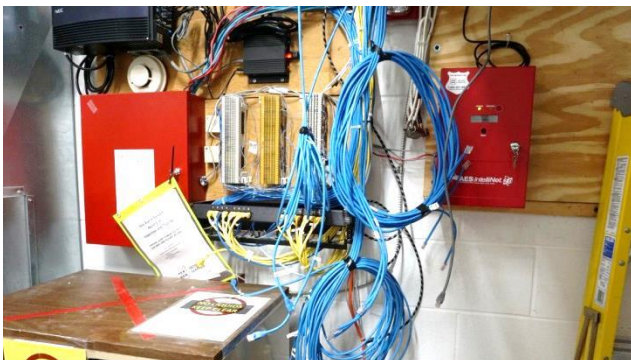

- New 2 foot square ceiling lights have been installed in the side entryway. This was in response to a request from the management team to make our entrance more inviting. In addition the ceiling lights the accent lights were also changed. The hallway now has pictures of our adoptable animals.

- The new voice over IP phone system took a step forward. The computer part and a sample phone have been delivered and installed. The phone system is waiting for the firewall upgrade from Spectrum

- Additional CAT6 network wires have been run through the ceiling. Most are still waiting for the connectors to be added to each end of the wire. The new wires will support the new phone and computer systems.

- The stainless steel drum in one of the dryers developed a hole and I repaired it with a patch.

- The animal weight scale in the side hallway had been giving inaccurate reading for several months. Attempts to fix the scale were unsuccessful. A replacement scale was ordered and installed. The scale folds up when not in use.

- Vaccination clinic Support – During the past month there have been three vaccination clinics. One more clinic is scheduled for mid April. We are very fortunate to have Dr Tom and Dr Emily who have been strong supporters of these clinics. The medical team has worked with veterinarians to ensure we have adequate vaccination drugs and materials to conduct the events. To ensure these clinics run smoothly there are many behind the scenes tasks. These include:
  - Creation of scheduling calendars in Calendar Wiz.
  - Adding each event to the HSPC public website.
  - Promoting the clinics on Facebook.
  - Creating email messages to all local adopters who have adopted from HSPC 12 to 36 months ago.
  - Extracting the registration data from calendar wiz and entering the names, addresses and animal data into ShelterBoss (HSPC's main system).
  - Creating and updating the process to print the instruction, request and certificate pages for each animal in advance of the clinic.
  - Merging the registration data from calendar wiz with the instruction pages
  - Set up chairs in the halls
  - Put up signs to direct traffic flow
  - Three non-med team people work behind the reception desk during clinics.
    - Enter microchip information and register the chip
    - Sell dog licenses
    - Scan the paperwork when a client has finished their vaccinations
    - Attached the scanned documents to the animals in shelterboss
    - Collect money / process charge cards
  - After the clinic finishes
    - Gather paperwork together and file
    - Take down the signs
    - Put the chairs away .

**Note Adopted** The count of adoptions is from the animal inventory report. The adoption process takes time. After applications are approved it takes time for applicant to schedule a meet and pickup date. Sometimes an adoption is delayed until an animal is spayed or neutered or a medical problem is resolved. Adoption counts may be higher than application counts because some adoptions are for a pair of animals.

UPDATE Byron, Penny and Luna have been adopted!

The Adoption Team has announced a special reduced adoption fee of \$50 +tax for some of our adoptable dogs who have waited a while for a home.

Pictured are KARA, BYRON, ARCHIE, GINK, PENNY, LUNA, DOTTY, and MAJOR. Many of them have watercolor portraits (shown alongside) created and donated by [Lisa Florentino Art](#) that will go home with them when they are adopted.

Take this link to find their entries in our list of adoptable animals <https://hspcwi.org/adoptable-animals/>

If you are interested in adopting an animal, please fill out our online application. When your application is approved, our Adoption Team will contact you to schedule an appointment to meet pets and choose who to adopt. Here is a link to our online adoption applications <https://hspcwi.org/adopt>.

## Volunteer Statistics

On May 6, 2023 a purge of inactive volunteers was performed. This is the first volunteer purge since 2019. During the pandemic years we were unsure what impact would be on the volunteers. Many of our volunteers are students. Most students graduate in four years so this purge had a significant impact. A reconciliation of active fosters will be done at a later date.

Over the past few months we have stopped using Volgistics to schedule staff. There were several volunteer entries we established to support scheduling. WE also had broken many of the jobs down into smaller pieces to support scheduling. All of these items have been marked as inactive. The result of these changes provides the ability to report staff hours along with volunteer hours. This new report started in May 2023 and replaces the previous report which only covered volunteers.

On April 14, 2024 – these are just counts of records in a computer system. A purge of inactive volunteers has not been conducted for several years. There are several employees that have not worked in awhile but remain of available if needed.

446 people in the system  
-203 applicants (volunteer applicants received in 2023 & 2024)  
-69 prospects (job applicants)  
-40 staff  
-134 volunteers

There are many volunteers that help us with events and several board members helping with community activities and veterinary services that are not counted in these reports.

A purge of inactive staff occurred on January 2<sup>nd</sup>, 2023

A purge of inactive volunteers was performed on May 6, 2023. This purge was volunteers with zero hours of service, volunteer applicants, and staff that have left our employment. The normal criteria for purging is no recent service in past 100 days or applicant for more than 100 days is the criteria for purging.

The pandemic has dramatically reduced our use of volunteers. We expect a different more structured volunteer program to be implemented in the last quarter of 2021.

Fosters were reconciled in December 2020 which reduced the number of active fosters.

## DonorPerfect Statistics

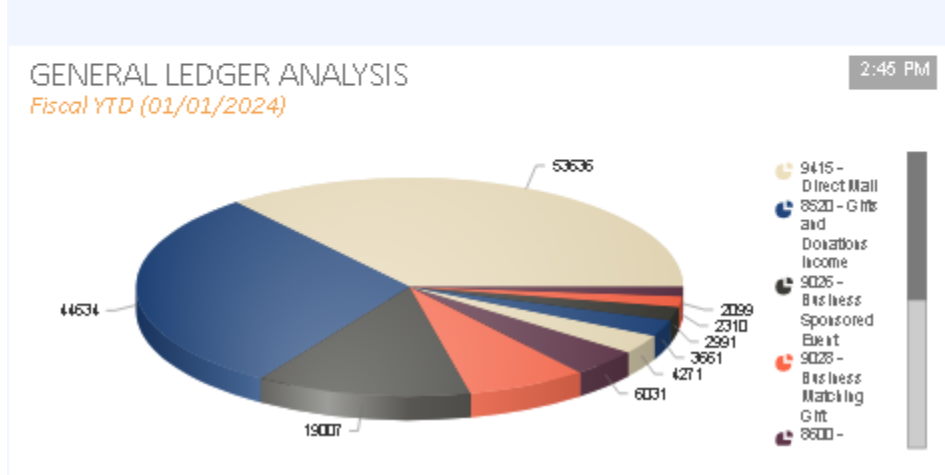

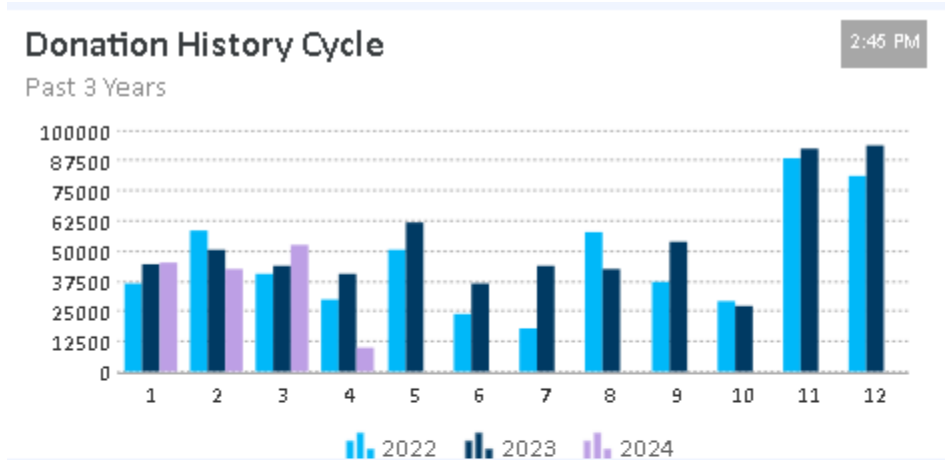

DonorPerfect is software that helps HSPC record information about our donors and patrons. It has been active since the end of August 2013

- All Individual monetary donations has been extracted from our old system and loaded.
- All Business and organization monetary donations has been extracted from our old system and loaded.
- All contributions are put into DonorPerfect (cash and non-cash gifts)
- All Volunteers are added to DonorPerfect – (updated every 4 months)
- Any person that attends one of our major events and purchases an item (registration , auction) are added to Donor Perfect
- All people who make in-kind donations and sign our gift registry have been loaded into Donor Perfect.
- All mailing lists have been consolidated into Donor Perfect
- All people who have adopted a pet from HSPC in the past 5 years have been loaded into Donor Perfect. New adopters are added each week.
- Donor Perfect has been the system of record for all donations since August 2013.

Our donor base continues to grow. In January 2014 we had 6,289 donors and in January 2015 we had 7,655. On April 6, 2024 we have 17,386 constituent records in our Donor Perfect database. Note: 11,119 are do not mail records.

**Note:** Large estate gifts received in February 2021, April 2021 & December 2022 will skew these graphs.

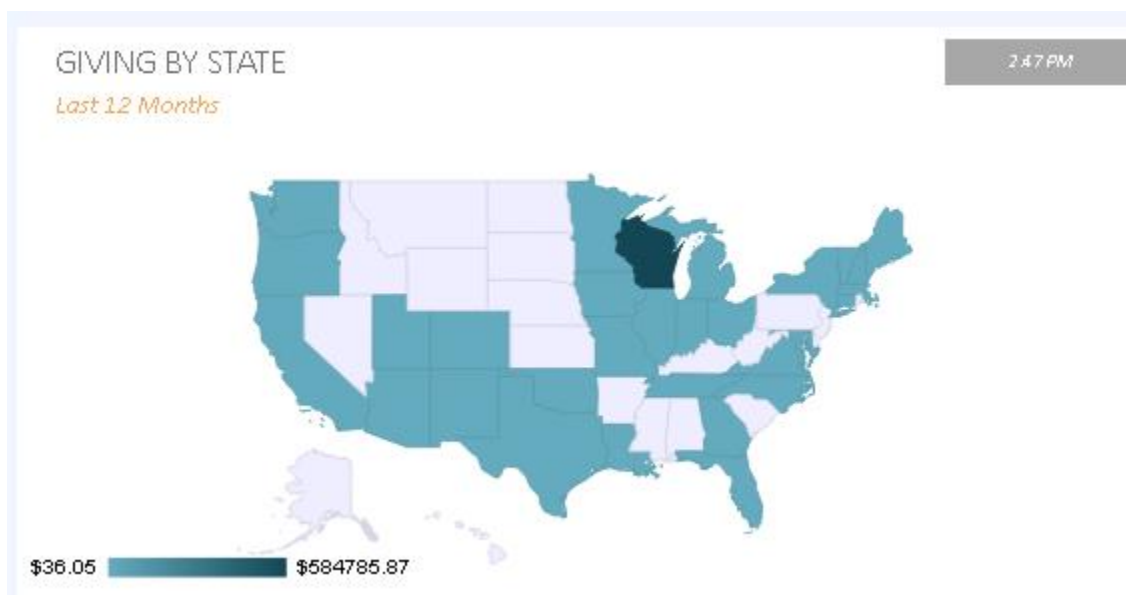

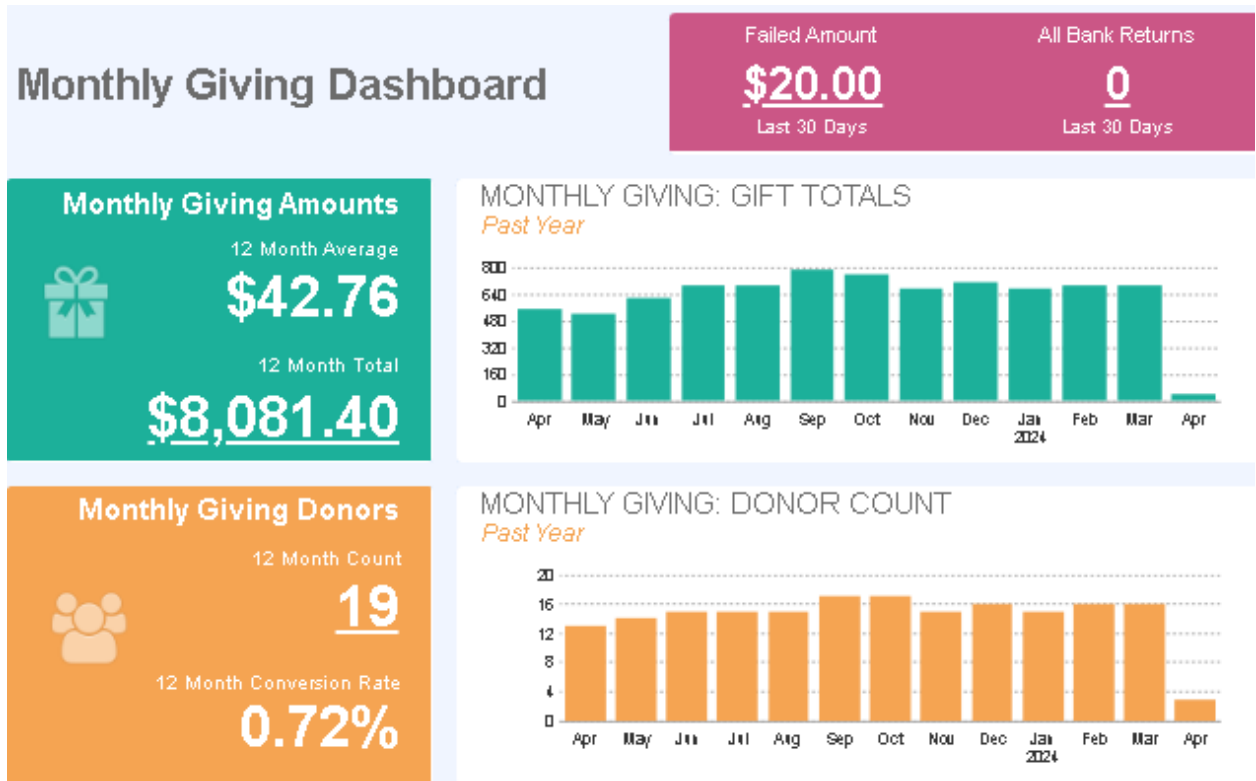

**NOTE:** In January 2023 we discovered that items that contained a memorial or honorarium message had been coded as memorial or honorarium income. This would cause some of the solicitation reports to have shown lower results than actual. All the gifts were counted it was only the coding of general ledger codes that was incorrect. Our goal is to use the general ledger code for the source of the gift.

**NOTE:** In May 2023 we analyzed the names in our donor database. As part of the analysis we performed a calculated process to remove people from our active mailing database. Examples of our criteria include:

- Names with incomplete addresses
- Potential donors that have been receiving mail from us for 3 or more years and never made a gift
- Donors that have made a gift in the past but have not made any gifts for the past 4 years
- Donors that live outside of our service area (Portage County) and have not made any gifts in the past 2 years.
- Donors that have made only one gift and the gift was made in memory or in honor of a person or animal and this single gift was made more than a year ago.

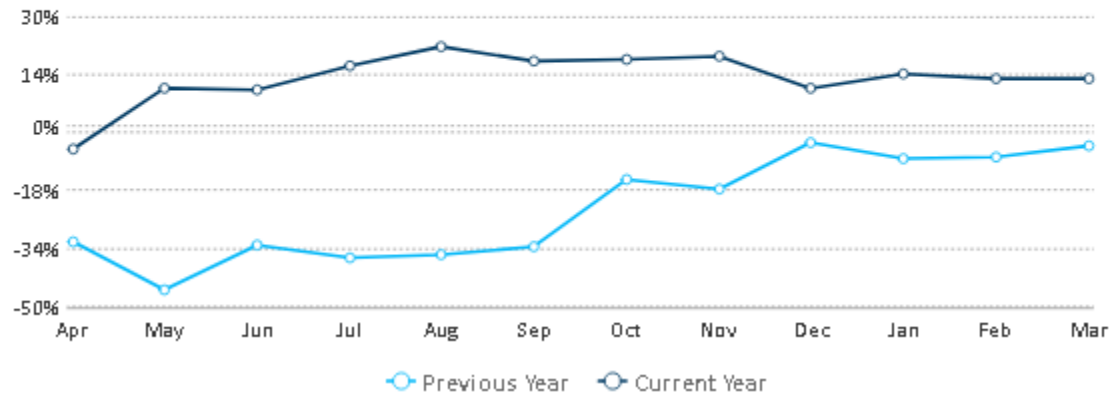

In October 2020 Donor Perfect added an additional dashboard item that shows monthly donors.

In September 2021 the Humane Officer team was restructured. A new interim manger was appointed and the interim manager attended the Humane Officer training program conducted by the Wisconsin Department of Agriculture, Trade and Consumer Protection (DATCP) in Madison. This week long course is required training for all Humane Officers.

Based on the training in the class many of the ways the HSPC Humane Officers were using our computer system were reviewed and analyzed for efficiency and accuracy. Several changes were implemented that will cause the following report to look different in 2022. One of these changes is the way we track animals that are received as stray or surrendered animals.

HSPC receives nearly 1,000 stray or surrendered animals each year. The majority of the animals are brought to the shelter. In 2021 the animals was entered into the computer system and an additional / duplicate entry was made as a dispatch. The dispatch entries would show up on the report shown below. In late 2021 we stopped creating dispatches for stray and surrendered animals that were not part of an investigation.

It is our hope that we can change the way the report is produced to reflect both the dispatch counts and the animal intake counts.

In January 2023 the format of the Humane Officer report was changed so it was easier to read. This new version does not include the animal intake counts.

## 2024 Dog & Cat Report

HSPC is an Adoption Guarantee facility. This means that all healthy animals are kept for adoption until a home is found or until circumstances would change. Some animals adopt quickly while others are with us for many months but we keep looking for a great home for each and every one of our "adoptables."

We take our commitment to our animals and community very seriously and try to do the best for the animals first while considering what is also best for the community. It happens periodically that an animal is no longer adoptable if there are serious health or behavioral concerns. In these situations euthanasia may be our only recourse if an animal has dangerous behavior or temperament that can't be corrected, a fatal or chronic disease, or is seriously injured.
